

Welcome to Park Place Behavioral Health Care,

I want to take this time to thank you for choosing Park Place and giving us the privilege of helping you and your loved ones along in this journey of hope and wellness. Your trust in our agency has allowed us to serve over 11,000 Osceola County residents in our inpatient and outpatient clinics.

I have just completed my sixteenth year as CEO of Park Place and, just as our county's population has experienced phenomenal growth during this time, Park Place has also grown with new buildings and new services. We have expanded our Crisis unit from 30 to 50 beds and we recently added 20 new Detox beds to better serve those who turn to us.

Despite our size, we focus on being one team here at Park Place Behavioral Health Care with our focus on those we serve. Our success is determined by your success and our ability to adapt to the constantly changing needs of our clients and community.

We would be pleased to serve you if the need arises.

Thank you.
